**Fitting Instructions:****Multi-Fit****Caliper Cap - Chrome - A9730642**

Thank you for choosing this Triumph genuine accessory kit. This accessory kit is the product of Triumph's use of proven engineering, exhaustive testing, and continuous striving for superior reliability, safety and performance.

Completely read all of these instructions before commencing the installation of the accessory kit in order to become thoroughly familiar with the kit's features and the installation process.

These instructions should be considered a permanent part of your accessory kit, and should remain with it even if your accessory equipped motorcycle is subsequently sold.

**Parts Supplied:**

- |                            |       |                  |       |
|----------------------------|-------|------------------|-------|
| 1. Caliper cap, chrome, LH | 1 off | 3. Cleaning wipe | 1 off |
| 2. Caliper cap, chrome, RH | 1 off |                  |       |

**Warning**

This accessory kit is designed for use on specific Triumph motorcycles only and should not be fitted to any other manufacturer's motorcycle. Consult your Triumph authorised dealer for model fitment. Fitting this accessory kit to any other Triumph model, or to any other manufacturer's motorcycle will affect the performance, stability and handling of the motorcycle. This may affect the rider's ability to control the motorcycle and could cause an accident.

**Warning**

Always have Triumph approved parts, accessories and conversions fitted by a trained technician of an authorised Triumph dealer. The fitment of parts, accessories and conversions by a technician who is not of an authorised Triumph dealer may affect the handling, stability or other aspects of the motorcycle's operation which may result in loss of motorcycle control and an accident.

**Warning**

Throughout this operation, ensure that the motorcycle is stabilised and adequately supported to prevent risk of injury from the motorcycle falling.

**Note:**

- **Read the warning notices printed on the cleaning wipe packet in the fitting kit.**

1. Clean the face of the left hand front caliper with the cleaning wipe provided.

**1. Caliper face**

2. Remove the protective film from the adhesive pad of the left hand caliper cap.

**1. Caliper cap****2. Adhesive pad**

**! Caution**

When fitting self adhesive parts care must be taken to ensure positioning is correct and accurate. Once the adhesive has been attached to the mounting surface, there is no satisfactory method of removal and re-positioning if incorrectly aligned. Initial bonding is instant, full bonding is achieved after 72 hours.

3. Locate the caliper cap on the face of the left hand front caliper. Apply firm and even pressure to the entire cap to ensure a good bond is achieved.

4. Repeat steps 1 to 3 for the right hand front caliper.

**! Warning**

If, after fitment of this accessory kit, you have any doubt about the performance of any aspect of the motorcycle, contact an authorised Triumph dealer and do not ride the motorcycle until the authorised dealer has declared it fit for use. Riding a motorcycle when there is any doubt as to any aspect of the performance of the motorcycle may result in loss of control of the motorcycle leading to an accident.

**! Warning**

The motorcycle must not be operated above the legal road speed limit except in closed-course conditions.

**! Warning**

Only operate this Triumph motorcycle at high speed in closed-course on road competition or on closed-course racetracks. High speed operation should only be attempted by riders who have been instructed in the techniques necessary for high speed riding and are familiar with the motorcycle's characteristics in all conditions. High speed operation in any other circumstances is dangerous and will lead to loss of motorcycle control and an accident.
