

Fitting Instructions:
Rocket III & Rocket III Touring
Oil Tank Embellisher Kit
A9738117, A9738138, A9738139, A9738140, A9738141

Thank you for choosing this Triumph genuine accessory kit. This accessory kit is the product of Triumph's use of proven engineering, exhaustive testing, and continuous striving for superior reliability, safety and performance.

Completely read all of these instructions before commencing the installation of the accessory kit in order to become thoroughly familiar with the kit's features and the installation process.

These instructions should be considered a permanent part of your accessory kit, and should remain with it even if your accessory equipped motorcycle is subsequently sold.

! Warning

This accessory kit is designed for use on Triumph Rocket III and Rocket III Touring motorcycles only and should not be fitted to any other Triumph model or to any other manufacturers motorcycle. Fitting this accessory kit to any other Triumph model, or to any other manufacturers motorcycle, may interfere with the rider and could affect the handling, stability or other aspects of the motorcycles operation which may result in loss of motorcycle control and an accident.

! Warning

Always have Triumph approved parts, accessories and conversions fitted by a trained technician of an authorised Triumph dealer. The fitment of parts, accessories and conversions by a technician who is not of an authorised Triumph dealer may affect the handling, stability or other aspects of the motorcycles operation which may result in loss of motorcycle control and an accident.

Parts Supplied:

- | | | | |
|-------------------------------|-------|-----------------------|-------|
| 1. Oil tank embellisher | 1 off | 3. Cleaning wipe..... | 1 off |
| 2. Insert..... | 1 off | | |

Warning

Throughout this operation, ensure that the motorcycle is stabilised and adequately supported to prevent risk of injury from the motorcycle falling.

Warning

A torque wrench of known accurate calibration must be used when fitting this accessory kit. Failure to tighten any of the fasteners to the correct torque specification may result in loss of motorcycle control and an accident.

1. Remove the original oil tank embellisher. Retain the fixings for reuse. Retain the embellisher if the motorcycle is to be returned to its original condition.
4. Position the insert centrally on the new embellisher.

1. Oil tank
2. Embellisher
3. Fixings

2. Clean the new embellisher badge recess area, using the cleaning wipe provided
3. Peel off the protective film from the rear of the insert.

1. Insert
2. Protective film

1. Embellisher
2. Insert

5. Press the insert firmly to secure to the embellisher.
6. Fit the new embellisher to the oil tank and secure with the original fixings. Tighten the fixings to **7 Nm**.

1. Oil tank
2. Embellisher
3. Fixings

Warning

If, after fitment of this accessory kit, you have any doubt about the performance of any aspect of the motorcycle, contact an authorised Triumph dealer and do not ride the motorcycle until the authorised dealer has declared it fit for use. Riding a motorcycle when there is any doubt as to any aspect of the performance of the motorcycle may result in loss of control of the motorcycle leading to an accident.

Warning

The motorcycle must not be operated above the legal road speed limit except in closed course conditions.

Warning

Only operate this Triumph motorcycle at high speed in closed-course on road competition or on closed course racetracks. High speed operation should only be attempted by riders who have been instructed in the techniques necessary for high speed riding and are familiar with the motorcycle's characteristics in all conditions.

High speed operation in any other circumstances is dangerous and will lead to loss of motorcycle control and an accident.
